Advance NextGen

Regional Airport System

Economic Benefits of Air Travel

- Nationwide: \$1.2 Trillion

US Flight Delays

- 2008 Worst Year for Flight Delays
- Americans Lose \$9 Billion in Productivity from Flight Delays

Economic Loss without NextGen

- Potential Loss: \$80 Billion
- Unmet Demand: \$130 Billion
- Passengers Left Behind: 40 Million

Failure to Advance NextGen

- Federal Funding Not Allocated
- Implementation Scheduled 20 Years Away
- Need Ways to Fund NextGen Now

NextGen Alliance

The Alliance calls for:

- FAA Legislation with NextGen Initiatives
- Full Funding in Appropriation Bills
- An Accelerated Delivery Timeline
- Compatibility with International Partners
- Engagement with All Partners
- Deployment in Most Congested Airspace
